Every product that we market begins and ends with thinking of our consumers. We devote ourselves to create delicious snacking moments for the entire family. Whether having Borgat® Gummy and Lollies at home, Hakawi® Coffee on your special times, or Dandormah® Icepops to refresh oneself on a hot summer's day, we offer snacking experiences that are fun and satisfying, that all family members can sit down and enjoy. We are hungry for finding new ways to make life even more enjoyable, so we continue to connect with our consumers, win with our people, and grow with our customers and business partners.
